## Contactless Pickup Service Only

Monday, December 14, 2020

Dear Valued Community Members and Library Patrons:

Out of an abundance of caution and with the health and safety of all our patrons and staff, beginning Wednesday, December 16, 2020, our Library will revert to **contactless pickup service only**. All patron access to the building; including computer usage, grab and go service, and in-person reference will be suspended until further notice.

During this time, Library materials will be available for pick-up in a contactless transaction. Requests for books, DVDs, CDs, and other materials will be available for checkout. Materials can be located in the Library's online catalog or by calling the Library and a staff member will assist you in finding the needed material. Contactless pickup service is available **Monday - Wednesday from 10 am - 8 pm, Thursday from 10 am - 6 pm, Friday from 10 am - 5 pm, and Saturday from 10 am - 5 pm**. The first hour daily, 10 am-11 am is reserved for seniors and persons with compromised immune systems.

There are three ways you may request your items during this time:

1) Order directly through the Library's online catalog.

2) Make a request by using our online form. *For a step-by-step guide to using our curbside pickup service, click here.*

3) Call the Library at 610-446-3082 ext. 502 to put in your request.

Our digital and virtual programs will continue to be added to the library's Facebook and YouTube accounts and offered on Zoom. Digital resources such as eBooks, eAudiobooks, eMagazines, and music are available through the library's website 24/7 through services like OverDrive, RBdigital, and Hoopla.

We are committed to seeking guidance from trusted sources and adapting as necessary operations to keep our community healthy and safe. On behalf of our staff and the Library board of trustees, I wish you a very happy and joyous holiday season.

Best Regards,

**Sukrit Goswami, Library Director**
