My Minutes Goal: _____

Total Minutes Weeks 1-8: _____

Name: _____

Summer Reading Club @ HTFL 2023

Getting Started

On your reading log, you will find a row for each week. Complete the squares by filling in each day's reading minutes and checking off the week's activity. Bring your log to the circulation desk in the Children's Room the following week to receive your prize for that week.

You may report only once a week and please only record one week of activities at a time, even if you have done more. You must bring your log to get your prize!

Library Visit: Spend some time at the Library and get into the habit of borrowing books regularly. (You do *not* have to check out items each week).

Read: Read at least 100 minutes throughout the week. Record the number of minutes you read each day and add them up for your weekly total. You may read anything you like – books, magazines, audio books, graphic novels, ebooks, etc. – whether it's from the Library, your home, a friend, or somewhere else!

Activity: Note the Activity List to the right →. You may choose the same activity each week, try a new one, or do multiple activities.

Prize: When you've completed a week's worth of activities, return to the Youth Services Desk for your weekly prize - a new brag tag and a book each week! **The last day to pick up prizes is Saturday, August 19.**

There will be a Grand Prize drawing at the end of the summer for all who have reached the total goal for the summer - 800 minutes of summer reading!

Activity List

- Tell the librarian about something you read - the title, author, what it was about and why you liked it. If you'd rather write it down, the librarian will give you a form you can use.
- Take part in this week's Scavenger Hunt - find the "All Together Now" sign in the Children's Room and tell the librarian the location. The sign will move to a new location each week!
- Create an art or craft project at the Mandala Craft Table in the Children's Room.
- Attend a Summer Reading program or Special Show at the Library.

Weekly Programs

Check online for full program descriptions.
