## 2024 HTFL Summer Reading Club

**ADVENTURE**  
BEGINS AT  
**YOUR LIBRARY™**

## Getting Started:

On your reading log (see reverse), you will find a row for each week. Complete each line by filling in the reading minutes under #1, adding up your minutes in column #2, and telling us which of our activities you did under #3. Bring your log to the circulation desk each time you finish a row to receive your prize for that week.  
*You may report only once a week and please only record one week of activities at a time, even if you have done more. You must bring your log to get your prize!*

**#1 Read:** Read at least 100 minutes throughout the week. Record the number of minutes you read each day and add them up for your weekly total (see reverse). You may read anything you like – books, magazines, audio books, graphic novels, e-books, etc. – whether it's from the library, your home, a friend, or somewhere else!

**#2 Activity:** Pick an activity from our "Activity List" (see middle panel). You may choose the same activity each week, try a new one, or do multiple activities.

**#3 Prizes:** When you've completed a week's worth of reading and your activity, return to Circulation Desk for your weekly prize - a new brag tag and a book each week! *The last day to pick up weekly prizes is Sunday, August 18th.*

**There will be a prize drawing on August 31st for all who have reached the total goal for the summer - 800 minutes of summer reading!**

**Grand Prize:** 1-year family membership to the Franklin Institute. | **2nd place:** \$25 Amazon gift card. | **3rd place:** "Hedbanz" game. | **4th-10th**
