Note from the Director

We officially welcome Spring this weekend with the glimpse of warmer and longer days. Along with our optimism that the new season brings, we also are optimistic about being able to welcome the public into our building. In the past few months we have been assessing the Covid-19 situation and have been developing a plan to reopen the Library to offer a "Grab and Go" service, and allow patrons into the Library. Our primary goal is to ensure the safety of our staff and patrons. Through our monitoring of state and local guidelines for public health, we have an estimated date of Monday, April 5 for reopening the Library. Stay tuned for more information!

We are excited to announce that the Youth Services Department has a new program called “Mundo Mondays” that will begin on Monday, March 22. This storytime celebrates the differences that make us unique and the shared humanity that brings us together. We also invite all ages to join us on Wednesday, March 31 at 7:00 pm on Zoom for the Mutter Museum’s Bone Detectives program. Click here to register.

This past week we marked the one year anniversary of the declaration of the Covid-19 pandemic and the beginning of an extraordinary year both for the world and for our library. We are so grateful for our community’s support during this challenging time. Your donation enables us to live out our vision as a dynamic community hub for life-long learning, creativity, and culture now and into the future. If you have not made a gift to the Library or would like to make an additional contribution, consider donating today! Click here to donate.

We look forward to the time soon when we will see you in the Library!
Warm regards,

Sukrit Goswami, Library Director

Don’t have access to a printer? The Haverford Township Free Library is here to help. A staff member will be happy to assist you in getting you the forms you need.

Need tax forms that we do not have in stock? Not to worry! Call the Library at 610-446-3082 x503 and let us know which forms you require. We will then print out up to two (2) copies of the forms you need and let you know when they are ready to pick up at the Curbside Pickup Table. This convenient service is offered free of charge. **Printing is available for forms only.** Call today and let us help you.

Youth Services Program Spotlight

Mundo Mondays
Mondays at 8:00 pm
pre-recorded on Facebook

Mundo Mondays* is an online, pre-recorded, story time for Pre-K through Elementary Schoolers, but all ages are welcome. In this program we celebrate the differences that make us unique and the shared humanity that brings us together.

Though we may be physically separated, we need to connect as a community more than ever, to support each other through troubles, and to share our unique gifts. This story time helps us exercise our #SocialLiteracy by exploring the many different types of people around the world and helps us identify—and share—our own special qualities.

(*“Mundo” means “World” in Spanish.

**In our Community**

**Villanova Outreach for Senior Citizens**

Villanova University has created a program for seniors to reduce isolation called ReachOut.

ReachOut provides friendly calls by a student volunteer to an older adult – their main goal is to help decrease the feeling of social isolation among seniors. In summary, the process includes Villanova students (mostly nursing majors) contacting an older adult partner approximately once weekly for 20-30 minutes to engage in social discussion (no medical advice is provided). Calls continue weekly or at a mutually agreed upon frequency between the older adult and student. Currently ReachOut receives referrals from self-referrals, primary care practices, insurance companies, and senior centers (to name a few). Villanova ReachOut has received excellent feedback from both their older adult partners and their volunteers.

Referrals can be made either by email reachout@villanova.edu, phone 610-519-5969 or through the following referral link [ReachOut Older Adult Partner Referral Form](#)
